

HELLO

PSPDFKit for Web Examples Catalog Demo PDF

This is a sample PDF document that showcases the functionality and rendering of PSPDFKit for Web, our JavaScript-based PDF SDK.

If you have any additional questions regarding PSPDFKit for Web or our other SDK products, please:

PSPDFKit for Web Quick Start Guide

The Toolbar

The main toolbar features navigation tools to the left ...

... and annotation, save, and search tools to the right.

The Options Bar

When a tool offers additional options — such as font settings, opacity, and color — the options bar appears below the main toolbar.

Selecting an annotation tool or an annotation itself will open the annotation options bar.

PSPDFKit for Web Tools Overview

Highlighting Text

Selecting text will show a menu with options to highlight, strike through, underline, squiggly underline, or redact the text.
